1. Please list all allergies (including foods): \*
  
2. Are there any physical or health conditions that might require special attention? If so, please explain: \*

## Participant Agreement

### Attendance\*

To become a Certified California Naturalist, participants are expected to attend all Thursday evening classes. Only one evening class session can be missed and the participant will be expected to complete make-up activities at the direction of the instructor. One field trip can be missed without make-up work. Please contact the instructor if you plan to miss a class or a field trip.

- I have read and agree to the terms of attendance

### Participant Requirements\*

Class participants are required to complete a final project either individually, with a partner, or in a group. Additional requirements include maintaining a Field Notebook for recording observations, submitting iNaturalist observations during the training, and completing all reading assignments.

- I have read and agree to the participant requirements.

### Computer Access\*

Communication to members of the class will be via email; documents will be sent electronically. Computer availability is essential. Following training, California Naturalists use the web-based Volunteer Management System for recording hours and to access opportunities, activities, and teaching materials.

- I have the ability to open and send documents and emails, and have internet access.

### Class Payment\*

Tuition: \$350, which includes the California Naturalist Handbook (de Nevers et al. 2013) and another surprise book!

- I agree to send payment to UC Regents upon completion of this form to secure a spot for myself in the program.

My payment will be by:

- Check made out to UC Regents, write "CalNat Training" in the memo
- On-line Credit Card payment at <http://cemerced.ucanr.edu>
- Cash – **DO NOT MAIL**. Bring cash payment to the address below.

Please return this registration form with your payment to the address listed below.
